OPEN RECORDS REQUEST

Records custodian,

Under the North Carolina Public Records Law, G.S. §132-1, I request access to and copies of the following documents:

All correspondence, electronic or otherwise, from Jan. 5, 2013 to Jan. 1, 2017, between the staff of the North Carolina Governor's Office and:

Representatives of Duke Energy
Representatives of Dominion Energy
Representatives of Piedmont Natural Gas
Representatives of Southern Company Gas
Representatives of Atlantic Coast Pipeline

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$50. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of pipeline approvals and the state's energy policies.

I am a reporter for E&E News, and a resident of North Carolina.

The law requires that you respond to and fulfill this request "as promptly as possible." If you expect a significant delay in responding to and fulfilling this request, please contact me by email or phone with information about when I might expect copies or the ability to inspect the requested records in person.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for your attention to this request.

Sincerely,

Mike Soraghan
E&E News reporter
